

American Heelers Orthopedics

A. Customer Information:

Name _____
 Address (Shipping to) _____

 City, State, Zip Code _____
 Phone Number _____
 E-Mail Address _____

(On-line invoice will be sent via email when order is received)

B. Check All That Apply:

- New Customer
- Change of Address
- Rush Order: If needed we can express overnight starting at \$49.95.
- Weight exceeds 200 lbs., 90 Kilos or do you experience compression in material.
 In this case we may choose to use a harder material to prevent collapse.

C. Order Specifications:

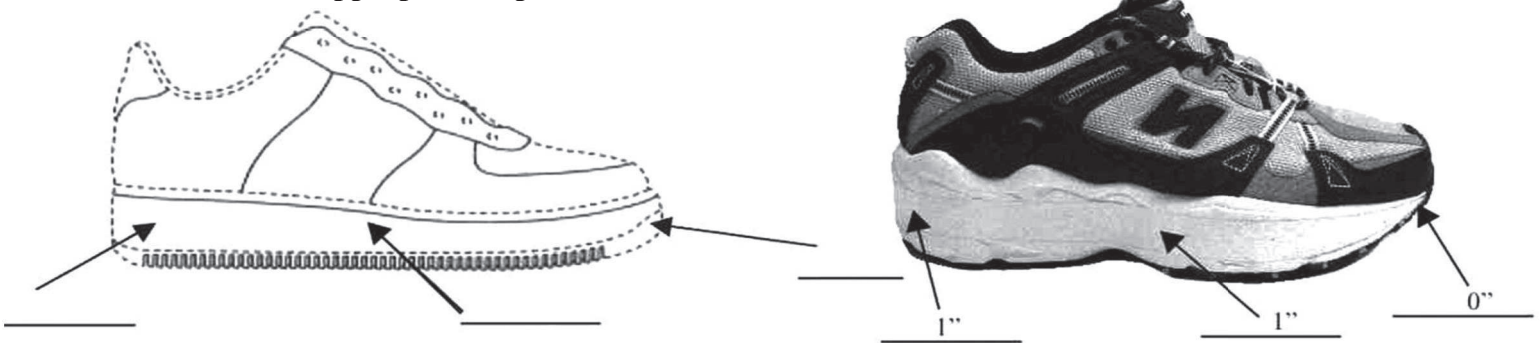

Shoe Lift Size (Millimeter or Inch) To Be Added To Shoe(s): _____ (Send only shoe requiring a lift)

Check All That Apply: Optional

- Honeycomb shoe lift design: Precise carving and drilling of lift building material for up to 50% more flexibility and light weight results for just \$19.99.
- Golf Shoe, Cleat Shoe, Cycling Shoe, Vibram Five Finger Shoe - \$39.99

D. Optional

Those who know they need a specific lift size added at the approximate points on the chart below may enter amounts on the diagram below. If left blank we will use our expertise to properly apply the size indicated in Section C with the appropriate taper and balance.

E. *Referral

Provide us with information from your orthopedic surgeon, PT, chiropractor or favorite shoe store to receive \$5.00 off your order.
